Transcriber's Office

February 10, 1998 LB 225, 395, 777, 799, 799A

Legislative Journal.) 14 ayes, 25 nays on the amendment, Mr. President...Madam President, excuse me.

SENATOR CROSBY: The amendment fails. I will raise the call. Mr. Clerk, do you have any items or anything?

CLERK: I do, Madam President, thank you. Enrollment and Review reports LB 777, (LB) 799, (LB) 799A, and (LB) 225 to Select File. I have a reference report referring gubernatorial appointee to standing committee confirmation hearing. And I have a hearing notice from the Education Committee. (See pages 574-76 of the Legislative Journal.)

Madam President, the next amendment I have is by Senator Dierks, Senator, AM2936.

SENATOR CROSBY: The amendment is withdrawn.

SENATOR DIERKS: I'd like to substitute...well, okay...

SENATOR CROSBY: You'd like to substitute?

SENATOR DIERKS: No, just withdraw, yeah, that's fine. It's fine to withdraw because the next amendment's mine, too, and that's the one I want to take up.

CLERK: Senator, I now have AM3018. (See page 551 of the Legislative Journal.)

SENATOR DIERKS: I believe that's right.

SENATOR CROSBY: Senator Dierks, you're recognized to open on your amendment.

SENATOR DIERKS: Thank you, Madam President and members of the body. The amendment belongs in Section 3, on page 3 of the bill...of the committee amendments, I'm sorry. And all we're trying to do is add language that...that takes care of the problems that I have with the nuclear waste issue. And this...you can read for yourself, it says that "with respect to the generation, storage, transport, or disposal of radioactive material, low-level radioactive waste, and high-level
